WHITBURN ANNOUNCES CAMPAIGN TEAM

Professional Team Will Put Roberts to the Test

San Diego, CA, July 28, 2010 – Stephen Whitburn, candidate for San Diego County Board of Supervisors, has announced his campaign team in his challenge to 16 year incumbent Ron Roberts.

- ❖ Jennifer Tierney, who brings years of successful campaign work experience in San Diego, will act as the General Consultant for the race.
- ❖ Barry Klein, a highly accomplished campaign professional who has worked on successful campaigns around the country, will act as the Campaign Manager.
- ❖ Jane Filner, a gifted professional fundraiser, will be instrumental in ensuring Team Whitburn has the funding necessary to communicate with voters.
- ❖ Fernando Lopez is one to the top field managers in California and will serve as Deputy Campaign Manager/Field Director.

“I am very pleased that we have been able to put together a team of this caliber,” said Stephen Whitburn. “It is a clear indication of the strength of this campaign and the vulnerability of the 16 year incumbent. As I speak to voters throughout the 4th District, it’s clear that they are disillusioned with our Do-Nothing Board of Supervisors. I hear over and over again that it’s time for leadership with fresh, bold ideas, not the tired political games of the last 20 years. In these changing times we need a Supervisor with the energy and drive to bring businesses to San Diego to create jobs, and a renewed focus on crime prevention and fire protection to make sure our communities are safe.”

Stephen Whitburn is an award-winning journalist, community advocate, and spokesperson for the American Red Cross. As a member of the North Park Planning Committee, Stephen has worked hard to address the problem of increasing crime, boost the supply of affordable housing, and promote neighborhood businesses. Stephen has been outspoken in his belief that we need our County government to provide greater resources for job creation and fire protection, and has been appalled by the inaction of our Do-Nothing Board of Supervisors. He has helped pass the city’s living wage ordinance, and fought to defeat statewide ballot initiatives that would have endangered a woman’s right to choose. Fluent in Spanish, Stephen has been a liaison to the Latino community on public education for the American Red Cross.
